

## WHAT'S GOING ON IN THE WORLD OF THEATRES AND AMUSEMENT

### POLI'S

### LYRIC

The Lowenberg Sisters and the Neary Brothers, of Bridgeport were a distinct hit in this city last night where they opened a new show at the Poli Theatre. In the latest oddity, the famous dancing quartet bring a quantity of scenery to their aid, with illustrative lighting effects and, gorgeous numbers with songs and use the lariat numbers with song and use the lariat to enhance the Western dances. Besides the usual speedy and classy dancing that all are known for throughout the country they now possess the artistic.

On the screen a counter attraction was offered the picture loving public in the sensational showing, "The Woman and the Law," a plot based on the DeSaulles tragedy which shook New York society some months ago. This picture offers a deep theme and a moral such as seldom is introduced in pictorial representation.

Another screen sensation was the chief episode of "The Eagle's Eye," showing an attempt made by the German planes under the imperial sanction to blow up a part of the American navy. Shown under government sanction this is one of the surprises of the film year.

"Oh, You Devil," a big musical comedy act, with pretty girls, colorful scenery, snappy songs and dances, is a welcome attraction that will draw. The comedians are exceptionally clever and have good material to work with.

Marguerite and Hanley, two exhilarating acrobats, and Charlie Semon, The Narrow Fellow, in a collection of musical and magic oddities, add their attractions to an already big bill.

### PLAZA

The best vaudeville program the Plaza has offered to our knowledge in several years is on tap at the popular resort today and tomorrow, and the seven act film version of the great stage success, "Today," in which Florence Reed, who starred in the stage version, has the leading role, is beyond question incomparable.

Ryan and Ryan opened the vaudeville with their eccentric dancing act in which their specialty on three-foot-long shoes is the feature and they took curtain after curtain.

The Polli Sisters and LeRoy came next with their comedy offering entitled "The Ginger Snap," with songs and dances to boot and they also went over with flying colors. The act is neatly and cleverly dressed and staged.

Then came the big noise, Jack Rose with his company which consisted solely of a piano accompanist. Rose is a "nut" comedian with a repertoire of songs that are positively original and he gets his material over with such "pep" and force that you bring him back for encores until he's out of breath and it took last night's crowd over 20 minutes to make him lose his wind.

Lastly came the Three Kelos with a routine of song, dance, nonsense and, principally, acrobatics. The song and dance part of the act is simply put in for the novelty of it but when these boys start to tumble and fall, they'll make the most cold-blooded human in the world applaud until his hands titch.

"Today" with Florence Reed might better be reviewed on some other page where there was room for a lengthy discussion in which to laud the extraordinary punch power of the play. It is many times mightier both as a dramatic vehicle and as a moral medium than the stage version ever could be for the film elaborates by following the book without variation.

Several times during action the unswallowable lump comes into your throat and the climax is undeniably the pinnacle of dramatic effort. To make a long story short, "Today" is a picture that those who see will never forget.

### BAD BREATH

Dr. Edwards' Olive Tablets Get at the Cause and Remove It

Dr. Edwards' Olive Tablets, the substitute for calomel, act gently on the bowels and positively do the work.

People afflicted with bad breath find quick relief through Dr. Edwards' Olive Tablets. The pleasant, sugar-coated tablets are taken for bad breath by all who know them.

Dr. Edwards' Olive Tablets act gently but firmly on the bowels and liver, stimulating them to natural action, clearing the blood and gently purifying the entire system. They do that which dangerous calomel does without any of the bad after effects.

All the benefits of nasty, sickening, gripping cathartics are derived from Dr. Edwards' Olive Tablets without gripping, pain or any disagreeable effects.

Dr. F. M. Edwards discovered the formula after seventeen years of practice among patients afflicted with bowel and liver complaint, with the attendant bad breath.

Dr. Edwards' Olive Tablets are purely a vegetable compound mixed with olive oil; you know them by their olive color. Take one or two every night for a week and note the effect. 10c and 25c per box. All druggists.

### Constipation Makes Baby Uncomfortable

When its tender little organs are bound up with a congestion of stomach waste in the bowels, Baby is a mighty uncomfortable morsel of humanity, and reflects its discomfort in its disposition. If Mother will just give it a tiny dose of a mild laxative, such as Dr. Caldwell's Syrup Pepsin, the congestion will quickly loosen and be expelled, and her child be normal and happy once more.

Dr. Caldwell's Syrup Pepsin is especially desirable for children, because it contains no opiate or narcotic drug, being a combination of simple laxative herbs with pepsin, mild and gentle in action, positive in effect and very palatable. Children like it and take it readily. Druggists sell Dr. Caldwell's Syrup Pepsin for fifty cents a bottle; a trial bottle, free of charge, can be obtained by writing to Dr. W. B. Caldwell, 456 Washington St., Monticello, Illinois.
